

IASO® Tea Instant

WITH FULL SPECTRUM HEMP EXTRACT

STORE IN A COOL, DRY PLACE.

MAKE IT	TAKE IT	DOSE
Mix 1 sachet with at least 16.9 fl. oz. hot/cold water.	Drink 30 minutes before eating.	One sachet daily or as directed by your healthcare professional.

TIPS: Consume one sachet five times weekly. Allowing two days off may increase the effectiveness of the product long-term; allowing your body to maintain homeostasis (to regulate its internal conditions, such as the chemical composition of its body fluids). You may also consider consuming one sachet of Original Iaso® Instant Tea and one sachet of Iaso® Instant Tea (with Hemp Extract) to maximize detox, cleansing, and weight management five times weekly.

PROVIDES A GENTLE DETOX & CALMING EFFECT

About Iaso® Tea Instant (with Hemp Extract)

Enjoy the same great benefits of the Original Iaso® Instant Detox Tea with the addition of 100 mg agricultural hemp oil extract grown in Colorado. This all-natural formula has two grams of non-GMO Dextrin (soluble dietary fiber) and only ten calories per serving. Hemp oil extract has been widely recognized for its many benefits on human health. It has grown in popularity amongst the medical community as a key supplement for maintaining homeostasis, the ability to regulate the chemical composition of the body's fluids, so as to maintain health and functioning, regardless of outside conditions.

Iaso® Instant Detox Tea with cannabidiol features CO2 extracted Hemp oil, free of harmful solvents and uses a gentle, low temperature, alcohol-free extraction process. This clean oil extraction process yields a high-quality extracted Hempoil retaining a broad spectrum of terpenes, Cannabinoids, and other phytochemicals.

Iaso® Instant Detox Tea with Hemp Extract contains five all-natural extracts well known for their anti-inflammatory and antioxidant qualities; offering the same benefits of herbal slimming and intestinal cleansing as the original Iaso® Instant Tea formula. The addition of soluble fiber is designed to reduce appetite so you will feel fuller after eating. Consuming the tea prior to meals will begin to affect the stomachs "stretch receptors" which send a message to the brain that food is present. The soluble fiber enters the digestive tract after consumption, causing hormonal signals to be released to the hypothalamus (which controls the body temperature, hunger, thirst, fatigue, sleep, and circadian rhythms). Both of these signals will continue to be released as your meal is consumed, thus creating a "feel-full factor" sensation within the brain.

Hemp Oil Extract

Full spectrum hemp oil contains an array of cannabinoids, as well as many essential vitamins and minerals, fatty acids, protein, chlorophyll, fiber, flavonoids, and terpenes. Together, these compounds work harmoniously to magnify their therapeutic properties. The complex mix of cannabinoids, essential nutrients, protein, and healthy fats work synergistically to encourage homeostasis and balance in our health.

Soluble Fiber Dextrin

Nutriose® FM 06 is a soluble dextrin derived from corn starch (which provides the benefits of dietary fiber while maintaining the quality of the tea). It has a low viscosity and dissolves in water easily. Studies have shown that soluble fiber can promote satiety (the sensation of feeling full).

Cassia Angustifolia Extract

The extract of the seeds of Cassia Angustifolia, a native Indian plant, are reported to have powerful cleansing qualities that relieve constipation. The extract may also increase colon motility.

Carica Papaya Extract

This flowering plant originated within southern Mexico and Central America. Carica Papaya is believed to have anti-inflammatory, antioxidant and wound- healing properties.

Matricaria Chamomilla Extract

This extract is derived from the flowering head of the annual plant. It has been used in herbal medicine to treat stomach pain, irritable bowel syndrome and as a gentle sleep aid.
